Dear Parents

Parent Survey – Results

Thank you for your time completing the Parental Survey sent out around 4 weeks ago. There has been an unavoidable delay in publishing the results, but I am pleased to send them to you now.

In total, we received 53 returns, and the written comments have been uploaded along with school's responses. We continue to strive to improve our provision further and are currently budget planning for the coming financial year. Early indications appear to suggest we will be in a slightly better position than in previous years, however until all figures are confirmed it is hard to tell.

Thank you for your continued support in all aspects of the school. With the current situation regarding COVID19, we continue to monitor the situation. Should your child develop relevant symptoms, you take strict Governmental advice, and inform the school please.

Kind regards

Nick Arnold
Headteacher
