

Badgers Year 5 only French w/c 6th July

Bonjour tout le monde! Today I'd like you to begin by watching this video of some students in a shopping style race: <https://www.youtube.com/watch?v=GA9YAO-AwbE>

Can you find out these answers? (Don't forget you can pause and/or rewind the video.)

- 1) How many chocolates did the young lady count (answer in English)?
- 2) What was the date of the moon landing (answer in French)?
- 3) How did the young man say 'Twenty to five' when he read the first clock?
- 4) How did he say 'Quarter past ten' on the second clock?
- 5) How did he say 'Half past ten' on the third clock?
- 6) How did the young lady say 'A bottle of Orange juice'?
- 7) What is 'un sachet de pistaches' ?
- 8) How did she say 'a punnet of strawberries'?
- 9) How did she say 'a bunch of grapes'?
- 10) How did she say 'a piece/slice of cheese'?

Now I'd like you to log on to Langagenut and do some grammar practice of the word 'some'. You'll find it in your homework assignments section. Try doing both the Fridge magnets practice and the Gap-fill exercise.

Finally, have go at the articles practice I have also put on Languagenut for you.

Bon effort!
