

Monsieur Beret's French activities-Year 3/4

J'ai beaucoup d'idées pour vous occuper. Essayez-en et gardez-les pour montrer à Mme Pickford quand l'école recommence.

Ideas to try out and bring to show Madame Pickford when school is back on again:

- Make a cultural leaflet. Research and present in any way that suits you. You could include; Pâques (Easter in France), Les contes de fées (Fairy stories from France), La fête du travail (May day in France), La fête des meres (Mother's day in France) etc
- Try watching some videos and playing some games on these websites. **Always check with an adult that they are happy for you to use any new websites.** Make notes on what you have learned:

 - <https://www.lasouris-web.org/prescolaire/prescolaire.html> (Try scrolling down to Comptines - Histoires - Contes - Karaokés for video stories, songs etc)
- If your grown-ups feel like doing some French with you at home they might like to buy French Club Book 1 by Rosie McNab. It is designed for home-learning and is full of activities, has a CD with songs and activities on it and fun stickers to use in your activities. (Price Approx £2.49)

You can also sometimes find handy little French learning books in Poundland and The Works etc ☺
