July 2021

Dear Prospective Candidate

Thank you for showing interest in this vacancy. This role will not suit just anyone, but someone who is calm, patient, and has a passion for those children who require a little more time and kindness. Your patience and resilience will be tested regularly, but very rewarding!

The successful candidate will work on a 1:1 basis, initially out of the classroom, before integrating the pupil into class activities. You must have energy but a calmness, be creative with initiative and be flexible to address situations quickly.

If you are still interested, please give Mrs Haysham a ring in the office to arrange a tour and to find out more details. We need to appoint the right person to help a pupil with significant learning and SEMH needs.

We look forward to hearing from you.

With kind regards

Mrs Deborah Eveleigh  
Headteacher from September
